the French educator and founder of the Christian Brothers. Despite

the error, the nickname has

# TOM LOCHNER

La Salle University Women's Basketball welcomed its seventh head coach in the program's history on August 30, 2004, when Tom Lochner was appointed to lead the team starting in the 2004-05 season. In his first year as head coach, Lochner guided the Explorers to a 12-16 record, which included their first win over George Washington, an NCAA qualifier, in 24 years, and a 9-5 record at home.

The journey for Lochner at La Salle began when he joined the Explorers coaching staff in 1987 serving as a volunteer assistant for two seasons. After gaining full-time coaching status in 1989, he remained as an assistant coach until the 1998-99 season, when he was promoted to associate head coach.

He has been involved in all aspects of the Explorers program during his career at the school, which included serving as recruiting coordinator, and overseeing the skill development of both the guards and the post players. Lochner has been extensively involved in game coaching,

scouting, daily practice and pre-game preparations throughout his 18 years. He also worked with the academic support staff regarding student-athlete progress.

During his 17 years at La Salle University prior to his head coaching stint, Lochner had been part of 296 La Salle victories (296-196 overall). He had also been with the team for two NCAA Tournament appearances, one WNIT Tournament appearance, four conference titles and five Big 5 titles.

Before coming to 20th and Olney, Lochner coached the girls basketball team at his alma mater, Bishop Gibbons High School in Schenectady, NY, from 1980 to 1987. In his first two seasons, he coached the junior varsity squad, followed by four years as the head coach of the varsity team.

During his head-coaching tenure, Bishop Gibbons' record was 88-13, they captured the 1986 New York State Championship (Large Division) with a 26-2 record and won three sectional titles. In back-to-back seasons, Lochner was honored as New York State Section II Coach of the Year (1985 and 1986).

In addition to coaching at the high school and college levels. Lochner has extensive summer

# **CHRISSIE DOOGAN**

Head Coach Tom Lochner welcomed back Chrissie (Donahue) Doogan to the La Salle University Women's Basketball coaching staff to start the 2004-05 season and in August 2005, she was promoted to Associate Head Coach. Doogan, a La Salle alum (1997), served as an assistant for the Explorers for five years before a two-year stint with Cornell University.

This will be Doogan's 11th season associated with La Salle Basketball, which included four years as a player and her seventh as a coach, and this is her ninth season coaching overall. For Lochner, Doogan will be a recruiting coordinator and will be the primary handler for the skill development of the forwards.

Doogan is one of the top players ever to wear an Explorer jersey, ending her career as the school's second-leading scorer with 1,818 career points and third-leading rebounder with 914. Doogan led the team in scoring and rebounds her sophomore, junior and senior seasons. In 2003, Doogan was named to the La Salle Hall of Athletes.

She was named the Philadelphia Big 5 Player of the Year in 1995, and the Rookie of the Year in 1994. She was a first-team All-Big 5 member in her final three seasons at La Salle, and was named second-team All-Big 5 as a freshman. Her outstanding career in the Big 5 earned her a spot in the Hall of Fame in 2002.

In her four-year career at La Salle, Doogan never missed a postseason all-conference team. As a freshman and sophomore, she was named to the MCC All-Conference teams in 1994 (third team) and 1995 (second team). In the fall of 1995, the Explorers joined the Atlantic 10 Conference, and in her final two seasons Doogan was named to the A-10 All-Conference teams in 1996 (second) and 1997 (first).

After leading her team to a pair of 20-win seasons, Doogan stayed with the La Salle program as an assistant coach following her graduation in 1997 and held that position for five seasons. Doogan was responsible for the development of the Explorers' post players, as well as all aspects of scouting and team fundraising.

Doogan now resides with her husband Pat and their daughter Maggie in Drexel Hill.

Dawn Staley, Temple On March 2, 1975, the idea of what is now the Atlantic 10 Conference was conceived. What started as an eight-school, men's basketball-only affiliation has grown into a 14-university, sport league that is universally hailed as one of the best conferences in the country.

That growth and prominence is a direct result of the ideals and commitments of the member institutions of the Atlantic 10. The University of Dayton, Duquesne University, Fordham University, The George Washington University, La Salle University, University of Massachusetts, University of Rhode Island, University of Richmond, St. Bonaventure University, Saint Joseph's University, Temple University, and Xavier University have formed the foundation of the Atlantic 10 – a foundation which is further strengthened this season with the additions of the University of North Carolina at Charlotte and Saint Louis University.

In 2005-06, the Atlantic 10 Conference celebrates it's 30th anniversary season. Although anniversaries are a good time to reflect, this anniversary is a celebration of the future as much as the past.

"It is with pride that we look back at our accomplishments and see how far this league has truly come," says A-10 commissioner Linda Bruno, who begins her 12th season at the helm of the league – the longest tenure of any commissioner in the Conference's history. "More importantly, however, the additions of Charlotte and Saint Louis ensure that the future is brighter than it has ever been. We are adding two members who will greatly enhance the national profile of all our sports and expose our programs to two new markets in which our universities actively recruit. The A-10 has never been as strong as it is now."

The Atlantic 10 Conference, which spans eight states and the District of Columbia with a total population of almost 73 million people, will crown champions in 21 sports this season: baseball, men's and women's basketball, men's and women's cross country, field hockey, men's golf, women's lacrosse, men's and women's indoor and outdoor track & field, women's rowing, men's and women's soccer, softball, men's and women's swimming and diving, men's and women's tennis, and women's volleyball.

# **ILADELPHIA BIG** PHILADELPHI

**The Big 5**, one of the most unique organizations in college basketball history celebrates its 50th anniversary this season. The legendary Palestra on the campus of the University of Pennsylvania has hosted more college basketball games than any facility in America. The arena has hosted over 50 NCAA Tournament games through the years.

The official announcement of the formation of the men's Big 5 was made on November 23, 1954, as a partnership between the athletic departments of La Salle University, the University of Pennsylvania, Saint Joseph's University, Temple University and Villanova University, and this season will mark the 50th anniversary of its creation. The Big 5 was touted as a chance for Philadelphia to present the best basketball it had to offer. Over the years, the Big 5 City Series Title has become an important season goal for each school as they battle their way through the Round Robin. These intense games carry important weight for coaches, players and fans alike.

The women's Big 5 City Series games were first officially conducted in the 1979-1980 season when all five teams had scheduled one another and held the Big 5 Round Robin. It was actually not until 1989, however, that the Big 5 administration formally included the women with the men to receive promotional and television benefits where available.

The women's Big 5 currently has a host of homegrown coaches in the ranks. Harry Perretta has been at the helm of the Villanova Wildcats since the inception of the women's Big 5 City Series. He has won six undefeated City Series championships, including back-to-back in 2003 and 2004.

Temple's Dawn Staley is a local product who started her stellar playing

career on the playgrounds of Philadelphia. She returned four years ago to lead the Owls' program and has had much success winning two City Series titles, including the title in 2005, and three Atlantic 10 Championships, including defending its title last year, in just four seasons.

Saint Joseph's Cindy Griffin was a standout on Hawk Hill in the early 1990's, and is now in her fifth year as head coach of the Hawks.

In 2004, the Big 5 added two "new" head coaches to the ranks. Tom Lochner took over the head coaching position at La Salle University, after serving as both assistant coach and associate head coach for the previous 17 seasons. Lochner has been a part of two NCAA Tournaments, one WNIT Tournament, four conference titles and five Big 5 titles while at La Salle.

The Penn Quakers also added a new head coach last season, but Pat Knapp was not new to Philadelphia. Before his 18 seasons at Georgetown, Knapp grew up in the area and knows all about the importance the Big 5 means

Two Big 5 teams participated in the post-season last year. Temple won its first-round game in the NCAA tournament, while Villanova qualified for the WNIT. This year, the competition will be fierce and exciting as everyone battles for the 50th anniversary Big 5 crown.

# UNIVERSITY PRESIDENT

Now in his second term as President of La Salle University, Brother Michael J. McGinniss, F.S.C., Ph.D., became the University's 28th president on July 1, 1999. He previously had been a member of the school's Religion Department and for five years was President of Christian Brothers University in Memphis, Tenn.

Under Br. Michael's direction, the University has developed a new strategic plan and significantly increased enrollment, giving, and alumni involvement in the life of the University. In addition, the University built and opened a new residence hall for 428 students and adjoining dining facility in 2005. In cooperation with the Board of Trustees, Br. Michael has launched "Shoulder to Shoulder," a fundraising initiative whose goal is to raise \$25 million for the construction of a new science and technology center and the strengthening of the endowment for student scholarships.

A native Philadelphian, Br. Michael joined the De La Salle Christian Brothers in 1965 and graduated maxima cum laude from La Salle in 1970 with a degree in English. He obtained his master's degree and Ph.D. in Theology from the University of Notre Dame.

From 1970 to 1974, he was a member of the English and Religion departments at South Hills Catholic High School in Pittsburgh, Pa. While a graduate student at the University of Notre Dame, he

taught undergraduate courses in the Theology Department and was assistant rector of Grace Hall.

His first teaching experience at La Salle was as a visiting instructor in the Graduate Religion Program in the summer of 1978. He was also an assistant professor at the Washington Theological Union from 1979 to 1984. From 1986 to 1990, he was a visiting instructor at Loyola University's Summer Institute of Pastoral Studies.

In 1984, Br. Michael joined the faculty at La Salle on a full-time basis, eventually reaching the rank of full professor in 1993. Recognized by the De La Salle Christian Brothers for his qualities as a leader, he attended La session internationale des études lasalliennes (a program of study of Lasallian spirituality) in Rome in 1991. He became Chair of La Salle's Religion Department that year, and the following year he received the Lindback Distinguished Teaching Award. Also in 1992, he was appointed vice president of the La Salle University Corporation. In 1995, he became a member of La Salle's Board of Trustees.

In 1994, he became president of Christian Brothers University. Under his leadership, undergraduate enrollment and retention rates were increased; a Graduate Education Program was established; the Athletic Department joined the NCAA Division II Gulf South Conference; new residence halls were constructed; enhancements were made to science labs and facilities; the school's Engineering departments were re-accredited; an upgrade of information technology systems throughout the campus was implemented; and the Center for Global Enterprise was founded. He also played a key role in the school's 125th anniversary celebration.

He has published articles in such journals as Listening: Journal of Religion and Culture and New Theology Review. He has written chapters in religious books and texts, including "The Catholic University as a Context for Pastoral Studies: Reflections on Three Programs" in Pastoral Studies in the University Setting (University of Ottawa Press). He edited six volumes of the Christian Brothers' Spirituality Seminar Series. Since 1983, his reviews of books have appeared in journals such as Horizons, Theological Studies, Journal of Ecumenical Studies, and Holistic Nursing Practice. For many years, he has lectured to a variety of academic and professional groups on issues related to spirituality, pastoral care, and theology.

His academic areas of expertise are pastoral theology, history and theology of ministry, methods and models of theological reflection, ecclesiology, and Lasallian spirituality.

Br. Michael serves on the Boards of the Association of Independent Colleges and Universities of Pennsylvania, American University of Rome, Manhattan College, Calvert Hall College (Baltimore, MD), the Greater Philadelphia Urban Affairs Coalition, the Greater Philadelphia Chamber of Commerce, and the Office of Community Development of the Archdiocese of Philadelphia. ### A SOLID STRENGTH AND CONDITIONING PROGRAM IS IMPERATIVE IN THE COMPETITIVE WORLD OF COLLEGE ATHLETICS. A CRITICAL COMPONENT TO ON-COURT SUCCESS IS THE WORK THAT IS PUT IN OUTSIDE THE LINES.

La Salle University's Strength and Conditioning program is designed to maximize the student-athlete's performance. This is accomplished through the use of orthopedically safe, physiologically sound excercises and comprehensive total body training.

By systematically and progressively overloading the muscles trained and holding each athlete accountable for each repetition of each excercise of every workout, the program ensures consistent gains in strength and power.

The focus is on teaching the athlete to produce a maximal effort repeatedly for a given period of time and proprioceptive skill, one's ability to control their body in space, not how much weight an athlete can lift for one repetition.

The program maximizes the time spent in and out of the weight room, preparing the athletes for competition by making the workouts specific and purposeful so that they are a means to an end and not an end in and of themselves.

# ATHLETIC TRAINING

BILL GERZABEK DIRECTOR OF SPORTS MEDICINE

# BEHIND ALL GREAT ATHLETIC PROGRAMS IS A GREAT ATHLETIC TRAINING STAFF.

AT LA SALLE UNIVERSITY, THE GOAL OF THE ATHLETIC TRAINERS IS TO RETURN THE ATHLETES TO ACTIVITY NOT ONLY QUICKLY, BUT ALSO SAFELY.

The two assistant athletic trainers at La Salle are Kerrie Eisenhauer, who enters her fourth season, and Chante Rodenas, who is in her second year.

The Athletic Trainers are on staff to cover all of the Explorers home games and practices. They also travel with men's basketball, women's basketball, football, softball, baseball, men's soccer, women's soccer, lacrosse and field hockey.

La Salle's Athletic Trainers work with team physicians, student health, and the counseling center to help oversee the well being of all student-athletes.

The University has established a partnership with the Albert Einstein Health Care Network and provides physicians through the Albert Einstein Sports Medicine program located less than one block from the University. Their physicians are available to La Salle student-athletes on the University campus.

The La Salle University Athletic Department established a partnership with NovaCare Physical Rehabilitation. NovaCare has become the "official provider" of rehabilitation for student-athletes at La Salle. > TOTAL 55-40

Over 50 years ago, in Tom Gola's senior season of 1954-55, the La Salle University men's basketball team played the majority of its home games in Wister Hall, where the campus bookstore is currently located. Since that season, the men's team has called many sites off campus home; however all that changed on February 21, 1998 with a victory over Virginia Tech.

It took \$6.3 million and 280 calendar days from groundbreaking on May 17, 1997, to return the men's basketball team to 20th & Olney full-time. In their last home game of the 1997-98 season, the Explorers defeated the Hokies, 74-64, before a sellout crowd in an arena that went from approximately 1,000 seats to its current capacity of 4,000 - a 400% increase.

Tom Gola Arena is the home of the Explorers and the centerpiece of the Hayman Center. On November 21, 1998, La Salle officially named the arena after the legendary alum of the school in a ceremony at halftime of the men's game that included most of the great La Salle ballplayers over the years. That night, the La Salle men's and women's basketball teams played a twinbill - the women defeated Delaware State, 84-59, the men beat Howard, 86-63.

The women's team has been playing at Hayman Hall since its inception in 1972. However, during the renovation, the Explorers played at Bucky Harris Gym on the campus of Philadelphia Textile (Philadelphia University). On February 1, 1998, they returned "home" for the first game at the Hayman Center, a 67-55 loss to Virginia Tech, which was preceded by the annual alumnae game.

In the seven-plus seasons that the women have played at Tom Gola Arena, the Explorers have played 95 games and have a 55-40 record, a winning percentage of 58%. They have had five winning seasons, which includes a season-best of 10-3 in the 2003-04 season, and three seasons in which they went 9-5 (2000-01, 2002-03, and 2004-05).

The Explorers have played many memorable games in the building, but none match the excitement on February 4, 2005, when the women ended a 24-year drought - 24 straight losses - by defeating the George Washington Colonials, 65-53.

As far as points scored in Tom Gola Arena, no woman comes close to the 44 points put up by Rasual Butler on February 23, 2002 against Rhode Island, but Jill Marano does hold the women's mark with 30 points versus Richmond on January 23, 2003. Five women have scored 29 points against the Explorers, which includes Noelia Gomez (George Washington) on January 28, 1999; Kristeena Alexander (George Washington) on December 11, 1999; Hilary Goodrich (Rhode Island) on January 13, 2002; Tonya Rhodes (Rhode Island) on January 29, 2004; and Rachel Laws (Binghamton).

# REMEMBERING

Game days at McCarthy Stadium and Gola Arena will never be the same without the presence of three great members of the Explorer Athletics family. Over the past year we have lost our voice, our vision and our soul with the untimely deaths of John McAdams, Donald Murray and Bob Vetrone.

# **Bob Vetrone 1925-2005**

Our friend . . . a Philadelphia Legend. Some called him "Bob," others called him "Buck" or "Beefy;" to us at La Salle athletics, he was simply "the best." We miss you, Bob.

La Salle University, Philadelphia and the sports community has lost one of its finest. Bob Vetrone passed away peacefully in his sleep on March 22, 2005 at the age of 79.

Bob was brought on at La Salle as a Sports Information Director in 1990 with an emphasis on handling the necessary promotion and media work to help Explorer great Lionel Simmons earn the National Player of the Year. He achieved that goal and continued to be a member of the La Salle University athletic department until his retirement in 2003.

Although he officially retired from office work Bob remained a member of our family until his final days. As recently as last season Bob tended to the media credential table on basketball game nights and was the constant "go-to" source for quickly-needed information just a phone call away.

He accompanied the women's basketball team on several road trips last season and even trekked to Cincinnati to watch the Explorer men in the 2005 Atlantic 10 Tournament two weeks before his passing.

Whether it was calling in to point out a change to be made in the media guide, offering trivia questions for a coach's radio show or just stopping by to drop off bagels or doughnuts for the staff, Bob Vetrone was a part of our family to the very end and will always remain so.

In his final days he came on the road with us despite the rigors of travel and his advanced age, because that is simply "what Bob did." He was sports. He was sports media and he is a dearly lost friend.

Just days before his passing, Bob was in Washington, giving

### The Voice. John McAdams 1941-2005

La Salle
University, the Big 5
and the entire
Philadelphia sports
community suffered
another crushing
blow when legendary
public address
announcer John
McAdams passed
away in his sleep in

the early morning hours of June 16th, 2005.

McAdams passed just hours after serving as the official scorer for the Reading Phillies' game against the New Britain Rock Cats on Wednesday night in Reading, PA.

"Johnny Mac" was one of the most beloved figures in all of the region. It was always difficult to answer the question, "What does John do for a living?" because doing so would mean rattling off an endless list of teams, radio stations and jobs he filled or worked with. There was no single word or phrase that described him.

His first love was his Big 5 public address work in which he served as the announcer for all Big 5 City Series games and has been the primary PA announcer for the La Salle Explorers for over 20 years. He has also served as the primary announcer for most of the University of Pennsylvania's teams for over a quarter-century.

It would be impossible to mention all of the roles he has played in the region's sportscape, but suffice it to say; if it was a collegiate, scholastic or professional sporting event in Philadelphia, New Jersey or Delaware – Johnny Mac was probably involved.

Some of his most notable work beyond the Big 5 came as the public address announcer for the Wilmington Blue Rocks minor league baseball team since the club's inception, the official scorer for the Philadelphia and Reading Phillies, the press box public address announcer for the Philadelphia Eagles and the voice of the Atlantic 10 Men's Basketball Championships during its tenure in

Beyond his excellence with the microphone, John was truly one of

# OUR FRIENDS

the most lovable individuals you could ever meet. He routinely called to chat about games or players or whatever else came to mind, but would always sneak in a one-liner or personalized joke that would leave you in stitches.

Personally, I would like to express my gratitude for the friendship and guidance that I received from John. Although I knew of the legend for years, I first met him while interning for the Reading Phillies in 1996. In addition to the many different jobs he was working, on his "off nights" he would have his wife Nancy or best friend Dick Shute drive him up to Reading and sit in on the R-Phils' radio broadcasts - without compensation. It was at this point that John began taking a personal interest in my career. Like many other young broadcasters and sports information professionals, John took it upon himself to guide us and, if needed, reprimand us for not working hard enough at our careers. It was not odd for John to call me early in my career and ask, "Did you send that resume up to [Binghamton]?" If the answer was "no" or "not yet," he'd quickly scold me and urge me to get on it, but always remind me that he only cared because he thought I was talented and really wanted to see me succeed. This sort of guidance was awe-inspiring for a young and impressionable recent graduate. He has been one of my closest colleagues since, and an even dearer friend.

Johnny Mac died just months after one of his good friends and fellow icon Bob Vetrone left us. It is difficult to imagine celebrating the upcoming 50th anniversary of the Big 5 without two of its greatest men.

John is survived by his beloved wife, Nancy, who accompanied him to most of his events.

Goodbye, John.

### **Don Murray** 1959-2005

Staff photographer Don Murray died after suffering a massive coronary while driving on Friday, May 27, 2005.

Don shot Explorer athletics for the past three seasons after being referred by the editorial staff of the Philadelphia Daily News. Most of the images that have appeared in the media guides (including this one), on pocket schedules, on the website and in other La Salle athletic pieces over the past two-plus years are his work.

The shaved head, go-tee and gruff voice disguised a kind, good-natured, fun and funny gentleman who genuinely loved working with our athletes. He became familiar with most of the athletes and would beam with pride when telling us about a shot he took of a certain player while referencing the athlete by name.

His obituary in the Daily News called Don an "action junkie." Don brought that sort of fire and mentality to his work at La Salle. A few examples of this quickly come to mind;

Perhaps the most poignant example of how dedicated he was, however, came when he told us that he may have to provide a fulltime substitute to fill in for him in the 2001-02 season because he wanted to find a military unit to be attached to and travel to Iraq to shoot the war.

We will miss you Don - thanks for the great shots and being a part of Explorer athletics.

### **KALE BEERS**

DIRECTOR OF ATHLETIC COMMUNICATIONS/VOICE OF THE EXPLORERS

Kale Beers is in his fourth full year as the Director of Athletic Communications for Explorer Athletics. The voice of Explorer basketball for the past nine seasons, Beers is now the longest tenured play-by-play man in the

Big 5 and only the great Dan Baker (Drexel) has called more city series games among current broadcasters.

When the Explorers defeated American University on December 28, 2004, it marked Beers' 200th broadcast of La Salle men's basketball. Ironically, American was also the Explorers' opponent for La Salle Basketball Radio Network (LRN) debut and Beers' first call in 1996. Since then he has called well over 300 Explorer events including men's and women's basketball and football.

Beers took over the Athletic Communications office in January of 2002 after serving in various capacities in each of the past ten years including the Director of Corporate Sales/Broadcasting. In this position, he was responsible for the Department's Corporate Partnership program and coordination of the La Salle Basketball Radio Network, which he helped form in 1996.

Beers is also an adjunct instructor in the University's Department of Communication. He is in his fifth year as an instructor of Public Speaking (Comm 150). Beers has also begun work on his Masters in Business Administration at the University.

A 1995 maxima cum laude graduate of La Salle's Department of Communication, Beers is currently working in his 12th season in professional and collegiate sports. His career began as a junior at La Salle when he secured an internship with the Philadelphia Phillies. He would continue to work in the Phillies' Video Services Department through the 1996 season and has since built an exceptional resume as a play-by-play broadcaster for the minor league affiliates of the Phillies, Cleveland Indians, Pittsburgh Pirates, Anaheim Angels, and the Kansas City Royals. Most recently, he has served as an official scorer for the Reading Phillies and Camden RiverSharks.

Beers was recently invited to work the 2005 NCAA Men's Basketball Regional Championships in Austin, TX where he assisted in media operations.

He is a member of the College Sports Information Directors Association (Co-SIDA) and the Philadelphia Sportswriters

Beers, 34, was born in Emmaus, PA., and is a veteran of the U.S. Army, in which he served six years (two in active duty) as a Cavalry Scout.
